The Philadelphia Section takes pleasure in the announcement of our annual Section Awards program. These Awards recognize local members for their contributions to the Civil Engineering profession. If you wish to nominate someone, please read the rules and criteria and then complete the nomination form.

**ALL AWARDS WILL BE PRESENTED AT THE SPRING SOCIAL/DINNER DANCE.** See THE NEWS for more detailed information on this year's Social.

**RULES:**

- Nominations must be postmarked by **Monday, February 7** or, if faxed or e-mailed, received by the close of business that day (5:00 PM).

- Individuals may be nominated for awards by a member in any grade of membership.

- Individuals may receive only one award in a single year, but may be nominated for more than one award in a single year.

- Award recipients must be approved by the Section's Board of Directors.

- All awards are presented only in years in which, in the judgement of the Selection Committee or the Board, there is at least one suitable candidate.

- The Selection Committee will be required to nominate an alternate for Board consideration for each Award.

- The Selection Committee will also recommend to the Board whether the recipient should be nominated for applicable National or Regional awards by the Section.

- A nominee for any award **MUST** be a member in good standing of the Philadelphia Section in the year in which the nomination is made, unless specifically stated otherwise per the particular Award. The Government Service Award and the Philadelphia History and Heritage Award do **NOT** require membership in the Philadelphia Section.
AWARDS

**Philadelphia Civil Engineer of the Year**

The Section’s highest award is presented to an individual who is judged to have contributed significantly and substantially to the civil engineering profession.

- Membership criteria - Member, Fellow, Honorary or Life.
- The recipient can also be considered for other recognition, such as Edmund Friedman Professional Recognition Award (ASCE National) and Delaware Valley Engineer of the Year (Delaware Valley Engineers Week Council).

**Philadelphia Young Civil Engineer of the Year**

This award is presented to a young civil engineer (age 35 or younger as of the date of nomination) who is judged to have contributed significantly to the civil engineering profession.

- Membership criteria - Associate or Student (member of a Student Chapter assigned to the Philadelphia Section).
- The recipient can also be considered for Edmund Friedman Professional Recognition Award (ASCE National) and Delaware Valley Young Engineer of the Year (Delaware Valley Engineers Week Council).

**Philadelphia Government Engineer of the Year**

This award is presented to an individual who is employed by government at the Federal, State or Local level, or a public authority, and who has contributed substantially to the civil engineering profession.

- Membership criteria - Member, Fellow, Honorary or Life.
- The recipient can also be considered for ASCE National Zone 1 Government Engineer of the Year and Civil Government Award.

**Philadelphia Young Government Engineer of the Year**

This award is presented to a young member (age 35 or younger as of the date of nomination) who is employed by government at the Federal, State or Local level, or a public authority, and who has contributed significantly to the civil engineering profession.

- Membership criteria - Associate.
- The recipient can also be considered for ASCE National Zone 1 Young Government Engineer of the Year.

**Educator of the Year**

This award is presented to an outstanding educator in the field of civil engineering who has contributed substantially to the field.

- Membership criteria - any grade except Student, and must be a faculty or staff member of a college or university with an ASCE Student Chapter.
**Government Service Award**

This award is presented to an elected or appointed official of government at the Federal, State or Local level, or a public authority, who has contributed substantially to the status of the civil engineering profession through his/her public service.

- Membership criteria - the nominee need NOT be a member of the Philadelphia Section or a member of ASCE, but MUST be a public official in a jurisdiction within the boundaries of the Philadelphia Section.

**Philadelphia History and Heritage Award**

This award is presented to an individual whose efforts have made significant contributions to better the knowledge and/or appreciation of the history and heritage of the civil engineering profession.

- Membership criteria - the nominee need NOT be a member of the Philadelphia Section or a member of ASCE, but MUST reside within the boundaries of the Philadelphia Section.
- The recipient can also be considered for ASCE National Civil Engineering History and Heritage Award.

**Individual Technical Awards**

Each of the following awards is presented to an individual who is judged to have contributed substantially to the civil engineering profession in the specialty area of the particular award:

- **Civil Engineering Manager of the Year**
- **Construction Engineer of the Year**
- **Geotechnical Engineer of the Year**
- **Structural Engineer of the Year**
- **Transportation Engineer of the Year**
- **Water Resources Engineer of the Year**

- Membership criteria - any grade except Student.
- The recipient can also be considered for ASCE National technical group awards.
